

## **Financial Analyst—Latin America**

Developing World Markets is seeking a dynamic Financial Analyst with Spanish and ideally Portuguese language fluency, who will join a growing team of finance professionals with a strong social mission and an active deal flow of debt, equity and structured products in microfinance and other socially positive assets. The Financial Analyst will report directly to the relationship manager for Latin America and assist in the firm's social investment banking and fund management activities. The position is based at DWM's head office in Darien, CT.

Responsibilities will include:

- Assisting in executing the firm's pioneering social investment transactions
- Performing due diligence, credit analysis and financial analysis
- Assisting in the preparation of investment proposals, country and currency analyses for Latin America, and transaction documents
- Preparing marketing materials and memoranda
- Planning and participating in regional marketing trips and attending conferences
- Researching special projects

Candidate must possess the following background and skill sets:

- A college degree with strong academic performance
- Written and spoken Spanish language fluency
- Written and spoken Portuguese language fluency highly desirable
- Excellent verbal and written communication skills, including advanced MS Word, Excel and Powerpoint skills
- Strong ability to conduct financial and credit analysis
- Solid organizational & time management skills
- High motivation and attention to detail
- Ability to learn quickly and work independently as well as being a team player
- Experience in international development, emerging markets, and/or financial analysis is a plus
- Demonstrated social commitment

Developing World Markets is at the forefront of a global effort to create investible solutions to meet social and economic needs of the developing world. DWM structures transactions that open doors to the international capital markets for microfinance institutions and other socially motivated organizations. The DWM team has deep experience in investment banking and emerging markets investing, as well as a passionate interest shared with our clients in the social goals served by our transactions.
