## DEVELOPING WORLD MARKETS ANNOUNCES NEW PARTNERS

STAMFORD, Conn., May 9, 2019 - As Developing World Markets (DWM) celebrates its 20th year of impact investing, we are pleased to announce the elevation of Aleem Remtula, Bogdan Tatarchevskiy, Courtland Walker and Odette Tolliver to Partner. In addition, Edward Marshall, will now serve as a Managing Partner.

“Over the last 10 years, Aleem, Bogdan, Courtland, Odette and Edward have each made major contributions to DWM’s growth,” said Managing Partner and co-founder, Peter Johnson, “From our pioneering days in impact investing to our now robust global presence, they have personified a commitment to excellence and to the values of collaboration, transparency, and professionalism that our investors and investees share and expect from DWM.”

### *About Developing World Markets*

Developing World Markets (DWM) is an emerging and frontier markets investment manager, dedicated to making impact investments that seek risk-appropriate returns for investors and measurable environmental and social benefits for the developing world. DWM was founded in 1994 and began its impact investing in 1999. The firm has arranged or invested more than \$1.7 billion in impact investments across nearly 60 developing countries.
